

NEW FOR 2026!

SPILL EMERGENCY RESPONSE PLAN WORKSHOP

Are You Ready? Agencies must annually review, assess effectiveness, and update the SERP prior to certifying the Annual Report **due by April 1 every year.**

Jim Fischer, P.E.
Water Board WDRs
Enforcement/Inspector
(Retired)

Drawing on over 50 years of combined water quality and regional water board experience, Jim Fischer and the Subject Matter Experts at Fischer Compliance lead participants through in-person workshops providing user-friendly resources and actionable strategies, teaching participants how to get and keep systems in compliance.

Sam Rose
Principal, Sam Rose
Consulting
